Recommendation Letter

To Whom It May Concern:

Date: 12.04.2011

Choice Ltd. Bulgaria is a South Korean company established in Bulgaria in 1990. The company develops projects in the field of renewable energy sources and industrial parks.

Choice has established itself as a leader in instant food market. Today its distribution network covers close to 90% in Bulgaria. Choice exports in over 25 countries worldwide and constantly continues its expansion.

We have business relation with accounting company - “**Active Consult**” Ltd within last 5 years. They provides us overall accounting services, tax consulting, tax planning, payroll and many other additional services.

At the same time , I would like to underline their expertise – both for accounting services and operations related to domestic market., as well as for overseas operation services.

Except that, they provide their expertise in order to smooth annual financial reports (officially declared), annual closing of the financial ledgers, preparation and forecast of the cash flow, forecast and other specific elements of the accounting services closely related to Banking , Bank loans , initial applications and etc.

Since beginning of our cooperation we have not any problem with National Revenue Agency and other governmental or local authorities.

Finally, I would like to express my recommendations for your future collaboration with “Active Consult “ Ltd, as well as my personal assurance about their loyalty and proficiency.

Sincerely Yours,

Jelio Todorov
Executive Manager
